

A woman's face is the central focus, with her eyes looking upwards. Her face is adorned with various floral makeup designs, including a large green leaf on her forehead, a yellow flower on her cheek, and a purple flower near her eye. The background is a dark, artistic composition of various flowers and a blue butterfly. In the bottom right, a HiTi photo printer is shown printing a photo of the same woman's face. The HiTi logo is in the top right corner.
